**Cc:** Bates, William  
**Subject:** Seismicity

Jeff,  
Attached, please find the edited version of the Seismicity Report, except for Appendix O. We will send a revised version with Appendix O later this morning (we have completed our review, but I asked a junior person to insert and format).

We used track changes to show our edits. Also, there are several comments. Please let us know if you would like to set up a meeting to go over these comments.

Patricia
